Re : Clarification on THAI's 2013 Financial Performance

Dear SET President,

As per the news printed by newspaper Kaow Hoon on February 24, 2014 regarding Thai Airways International Plc.'s (THAI) THB 13,000 million loss earned for financial year 2013, THAI would like to clarify that its financial performance is currently under review by the Auditor General, THAI's financial auditor.

Should the financial statements be signed by the Auditor General, THAI will immediately notify the SET.

Submitted for your information.

Sincerely,

Chokchai Panyayong

Senior Executive Vice President Strategy and Business Development as

Acting President
